### RISK FACTORS

Investing in shares of our common stock involves a risk of loss. Before investing in our common stock, you should carefully consider the risk factors described in "Risk Factors" under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our periodic filings with the SEC, including, but not limited to, our Quarterly Report on Form 10-Q for the quarter ended March 31, 2005 and subsequent periodic filings containing updated disclosures of such factors, together with all of the other information included in this prospectus and any prospectus supplement and the other information that we have incorporated by reference. Any of these risks, as well as other risks and uncertainties, could harm our business and financial results and cause the value of our securities to decline, which in turn could cause you to lose all or a part of your investment. These risks are not the only ones facing our company. Additional risks not currently known to us or that we currently deem immaterial also may impair our business.

### USE OF PROCEEDS

We will receive no proceeds from the sale of the shares by the selling stockholder. We will pay certain expenses related to the registration of the shares of common stock.

### THE SELLING STOCKHOLDER

We agreed to file this registration statement with the SEC for the benefit of the selling stockholder. The shares are being registered to permit public trading of the shares (without any restriction as to holding period or volume of such sales). The selling stockholder, or his permitted transferees or other successors in interest, may offer the shares for resale from time to time.

Shareholders of ATX Software Limited. On May 27, 2004, we completed the acquisition of 10% of the outstanding shares of ATX Software Limited ("ATX") from the two shareholders of ATX, Paul van der Schueren and Ryad Boulanouar. The purchase price for the shares was 2,000,000 Euros, payable in shares of our common stock. We issued 62,795 shares of our common stock to each of Mr. van der Schueren and Mr. Boulanouar in payment of the purchase price.

Under the agreements relating to the ATX transaction, we were granted an option to purchase an additional 41% of the outstanding shares of ATX in the aggregate from Mr. van der Schueren and Mr. Boulanouar. The purchase price for the additional shares was 8,000,000 Euros, payable in cash or shares of our common stock. On March 16, 2005, we exercised this option to purchase the additional 41% of outstanding shares of ATX. We paid Mr. Boulanouar 4,000,000 Euros in cash (subject to certain hold backs) and issued 215,644 shares of our common stock to Mr. van der Schueren in payment of the total purchase price. The number of shares of common stock issuable in payment of the purchase price was based upon on the average closing price of our common stock for the 60 calendar days prior to February 28, 2005.

We did not have a material relationship with Mr. van der Schueren during the three years prior to our initial acquisition of shares of ATX on May 27, 2004, and have not had a material relationship with him since that date through the date of this prospectus other than with respect to his right to acquire additional shares of ATX from us as described above.

We agreed to file this registration statement with the SEC for the benefit of Mr. van der Schueren and to use our commercially reasonable efforts to file required amendments and supplements to keep it current and effective until the earlier of (i) the second anniversary of the closing of the purchase of the additional 41% of outstanding shares of ATX on March 16, 2005, (ii) the date that the selling stockholder may sell his shares without restriction by the volume limitations of Rule 144(e) under the Securities Act of 1933, as amended, or (iii) the date that all of the shares issued to the selling stockholder subject to this prospectus have been sold pursuant to the registration statement of which this prospectus is a part.

Selling Stockholder. The table below shows the number of shares owned by the selling stockholder based upon information he has provided to us as of April 30, 2005. We cannot estimate the number of shares the selling stockholder will hold after completion of this offering because he may sell all or a portion of the shares and there are currently no agreements, arrangements or understandings with respect to the number of shares to be sold by him. We have assumed for purposes of this table that none of the shares offered by this prospectus will be held by the selling stockholder after the completion of this offering.

Name of Selling Stockholder	Number of Shares of Common Stock Owned Prior to this Offering	Number of Shares of Common Stock Offered Under this Prospectus	Number of Shares of Common Stock Owned Upon Completion of the Offering
Paul van der Schueren	215,644(1)	215,644	-0-
Total:	215,644	215,644	-0-

(1) All such shares were issued to Mr. van der Schueren on March 16, 2005 as part of the purchase price for the additional 41% of the outstanding ATX shares acquired by us.

#### PLAN OF DISTRIBUTION

The shares offered by this prospectus may be sold or distributed from time to time by the selling stockholder or his permitted transferees or other successors in interest, directly to one or more purchasers (including pledgees) or through brokers, dealers or underwriters who may act solely as agents or who may acquire shares as principals and will act independently of us in making decisions with respect to the timing, manner and size of each sale.

The shares may be sold in one or more transactions at:

- o fixed prices,
- o prevailing market prices at the time of sale,
- o prices related to the prevailing market prices,
- o varying prices determined at the time of sale, or
- o otherwise negotiated prices.

The shares may be sold by one or more of, or a combination of, the following methods, in addition to any other method permitted under this prospectus, to the extent permitted by applicable law:

- o a block trade in which the broker-dealer so engaged will attempt to sell the offered securities as agent but may position and resell a portion of the block as principal to facilitate the transaction,
- o purchases by a broker-dealer as principal and resale by the broker-dealer for its account pursuant to this prospectus,
- o on any national securities exchange or quotation service on which our common stock may be listed or quoted at the time of sale, including the Nasdaq National Market,
- o ordinary brokerage transactions and transactions in which the broker solicits purchasers,
- o privately negotiated transactions,
- o by pledge to secure debts or other obligations,
- o put or call transactions,
- o to cover hedging transactions, or
- o underwritten offerings.

If required, this prospectus may be amended or supplemented on a continual basis to describe a specific plan of distribution. In making sales, broker-dealers engaged by the selling stockholder may arrange for other broker-dealers to participate in the resales.

In connection with the sale of shares, the selling stockholder may, subject to the terms of his agreement with us and applicable law, (i) enter into transactions with brokers, dealers or others, who in turn may engage in short sales of the shares in the course of hedging the positions they assume, (ii) sell short or deliver shares to close out positions or (iii) loan shares to brokers, dealers or others that may in turn sell such shares. The selling stockholder may enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer of the shares. The broker-dealer or other financial institution may then resell or transfer these shares through this prospectus. The selling stockholder may also loan or pledge their shares to a broker-dealer or other financial institution. The broker-dealer or other financial institution may sell the shares which are loaned or pursuant to a right to rehypothecate while pledged or, upon a default, the broker-dealer or other financial institution may sell the pledged shares by use of this prospectus. The broker, dealer or other financial institution may use shares pledged by the selling stockholder or borrowed from the selling stockholder or others to settle those sales or to close out any related open borrowing of shares, and may use securities received from the selling stockholder in settlement of those derivatives to close out any related open borrowing of shares. Some or all of the shares offered in this prospectus may also be sold to or through an underwriter or underwriters. Any shares sold in that manner will be acquired by the underwriters for their own accounts and may be resold at different times in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. These shares may be offered to the public through underwriting syndicates represented by one or more managing underwriters or may be offered to the public directly by one or more underwriters. Any public offering price and any discounts or concessions allowed or disallowed to be paid to dealers, in connection with any sales to or through an underwriter, may be changed at different times. We have been advised by the selling stockholder that he has not, as of the date of this prospectus, entered into any arrangement with any agent, broker or dealer for the sale of the shares.

The selling stockholder may pay usual and customary or specifically negotiated underwriting discounts and concessions or brokerage fees or commissions in connection with his sales. The selling stockholder has agreed not to use the registration statement of which this prospectus forms a part for purposes of an underwritten offering without our consent.

The selling stockholder and any dealers or agents that participate in the distribution of the shares may be deemed to be "underwriters" within the meaning of the Securities Act of 1933, as amended, and any profit on the sale of shares by him and any commissions received by any such dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act of 1933, as amended.

Because the selling stockholder may be deemed to be an "underwriter" within the meaning of the Securities Act of 1933, as amended, the selling stockholder will be subject to the prospectus delivery requirements of the Securities Act of 1933, as amended. Neither the delivery of any prospectus, or any prospectus supplement, nor any other action taken by the selling stockholder or any purchaser relating to the purchase or sale of shares under this prospectus shall be treated as an admission that any of them is an underwriter within the meaning of the Securities Act of 1933, as amended, relating to the sale of any shares.

We will make copies of this prospectus available to the selling stockholder and have informed him of the need for delivery of copies of this prospectus to purchasers at or prior to the time of any sale of the shares offered hereby.

To the extent required by the Securities Act of 1933, as amended, a prospectus supplement or amendment will be filed and disclose the specific number of shares of common stock to be sold, the name of the selling stockholder, the purchase price, the public offering price, the names of any agent, dealer or underwriter, and any applicable commissions paid or discounts or concessions allowed with respect to a particular offering and other facts material to the transaction.

We have agreed to bear certain expenses of registration of the common stock under federal and state securities laws and of any offering and sale hereunder but not certain other expenses, such as discounts and commissions of underwriters, brokers, dealers or agents attributable to the sale of the shares, and fees and disbursements of any counsel, advisors or experts retained by or on behalf of any selling stockholder. The aggregate proceeds to the selling stockholder from the sale of the shares will be the purchase price of the common stock sold, less the aggregate agents' commissions, if any, and other expenses of issuance and distribution not borne by us.

We may suspend the use of this prospectus and any supplements hereto upon any event or circumstance which necessitates the making of any changes in the registration statement or prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the registration statement, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the prospectus, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The shares may be sold through registered or licensed brokers or dealers if required under applicable state securities laws.

Any securities covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act of 1933, as amended, may be sold under that rule rather than pursuant to this prospectus.

We cannot assure you that the selling stockholder will sell any or all of the common stock offered hereunder.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the change in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions of the Delaware General Corporation Law, the certificate of incorporation or bylaws of the registrant or resolutions of the registrant's board of directors adopted pursuant thereto, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
