RISK FACTORS

Investing in shares of our common stock involves a risk of loss. Before investing in our common stock, you should carefully consider the risk factors described in "Risk Factors" under Item 1A in our periodic filings with the SEC, including, but not limited to, our Annual Report on Form 10-K for the year ended December 31, 2006 and subsequent periodic filings containing updated disclosures of such factors, together with all of the other information included in this prospectus and any accompanying offering document and the other information that we have incorporated by reference. Any of these risks, as well as other risks and uncertainties, could harm our business and financial results and cause the value of our securities to decline, which in turn could cause you to lose all or a part of your investment. These risks are not the only ones facing our company. Additional risks not currently known to us or that we currently deem immaterial also may impair our business. Statements in or portions of a future document incorporated by reference in this prospectus and any prospectus supplements, including, without limitation, those relating to risk factors, may update and supersede statements in and portions of this prospectus or such incorporated documents.

FORWARD-LOOKING STATEMENTS

This prospectus, any prospectus supplements and the documents incorporated by reference in this prospectus contain statements that constitute forward-looking statements within the meaning of section 27A of the U.S. Securities Act of 1933 ("Securities Act"), and section 21E of the U.S. Securities Exchange Act of 1934, as amended ("Exchange Act"). - o our business plans and financing plans and requirements,
- o trends affecting our business plans and financing plans and requirements,
- o trends affecting our business,
- o the adequacy of capital to meet our capital requirements and expansion plans,
- o the assumptions underlying our business plans,
- o business strategy, including pending acquisitions
- o government regulatory action,

- o the effects of pending acquisitions on our business and financial results,
- o the plans, intentions or expectations of management,
- o technological advances, or

Although we believe that the expectations reflected in such forward-looking statements are reasonable, we can give no assurance that such expectations will prove to be correct. USE OF PROCEEDS

The proceeds from the sale of the shares of common stock offered in this prospectus and any prospectus supplements are solely for the account of the selling stockholders. We will not receive any of the proceeds from sale of shares of common stock by selling shareholders.

SELLING STOCKHOLDERS

On March 12, 2007, we issued to the selling stockholders named below 6,374,528 shares of our common stock at \$25.00 per share in a private placement. This prospectus and any prospectus supplements relate to the resale from time to time of up to a total of 6,374,528 shares of our common stock.

Except as listed below, none of the selling stockholders had a material relationship with us during the past three years.

Pursuant to the terms of the private placement transaction, we filed a registration statement, of which this prospectus constitutes a part, in order to permit the selling stockholders to resell to the public the shares of our common stock acquired in connection with that transaction. Each of the selling stockholders has represented to us that the selling stockholder has obtained the shares for the selling stockholder's own account for investment only and not with a view to, or resale in connection with, a distribution of the shares in violation of applicable securities laws.

The following table regarding selling stockholders is prepared solely based on information supplied to us by the listed selling stockholders or agents of the selling stockholders. We do not know how long the selling stockholders will hold the shares before selling them or how many shares they will sell and we currently have no agreements, arrangements or understandings with any of the selling stockholders regarding the sale of any shares. Because a selling stockholder may offer by this prospectus and any prospectus supplements all or some part of the common stock which the selling stockholder holds, no estimate can be given as of the date

hereof as to the amount of common stock actually to be offered for sale by a selling stockholder. This table sets forth:

- o the names of the selling stockholders;
- o the number and percent of shares of our common stock that the selling stockholders beneficially owned as of March 12, 2007, before the offering for resale of the shares under this prospectus;
- o the number of shares of our common stock that may be offered for resale for the account of the selling stockholders under this prospectus; and
- o the number and percent of shares of our common stock to be beneficially owned by the selling stockholders after the offering of the resale shares (assuming all of the offered resale shares are sold by the selling stockholders).

PLAN OF DISTRIBUTION

The selling stockholders and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of our common stock offered by this prospectus and any prospectus supplements on any stock exchange, market or trading facility on which the shares are traded or in private transactions, directly to one or more purchasers (including pledgees) or through brokers or dealers who may act solely as agents or who may acquire shares as principals, and will act independently of us in making decisions with respect to the timing, manner and size of each sale.

The shares may be sold in one or more transactions at:

- o fixed prices,
- o prevailing market prices at the time of sale,
- o prices related to the prevailing market prices,
- o varying prices determined at the time of sale, or
- o otherwise negotiated prices.

The selling stockholders may use any one or more of the following methods when selling shares:

- o ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- o block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- o purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- o an exchange distribution in accordance with the rules of the applicable exchange;
- o privately negotiated transactions;
- o settlement of short sales entered into after the date of this prospectus or any prospectus supplements;
- o broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- o a combination of any such methods of sale;
- o through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise; or
- o any other method permitted pursuant to applicable law.

The selling stockholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus or any prospectus supplements.

In connection with the sale of shares of common stock or interests therein, the selling stockholders may, subject to the terms of their agreement with us and applicable law, (i) enter into transactions with brokers, dealers or others, who in turn may engage in short sales of the shares in the course of hedging the positions they assume, (ii) sell short or deliver shares to close out positions or (iii) loan shares to brokers, dealers or others that may in turn sell such shares. The selling stockholders may enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer of the shares. The broker-dealer or other financial institution may then resell or transfer these shares through this prospectus and any prospectus supplements. The selling stockholders may also loan or pledge their shares to a broker-dealer or other financial institution. The broker-dealer or other financial institution may sell the shares which are loaned or pursuant to a right to rehypothecate while pledged or, upon a default, the broker-dealer or other financial institution may sell the pledged shares by use of this prospectus and any prospectus supplements. The broker, dealer or other financial institution may use shares pledged by the selling stockholders or borrowed from the selling stockholders or others to settle those sales or to close out any related open borrowing of shares, and may use securities received from the selling stockholders in settlement of those derivatives to close out any related open borrowing of shares. We have been advised by the selling stockholders that they have not, as of the date of this prospectus and any prospectus supplements, entered into any arrangement with any agent, broker or dealer for the sale of the shares.

The selling stockholders may pay usual and customary or specifically negotiated brokerage fees or commissions in connection with their sales. The selling stockholders have agreed not to use the registration statement of which this prospectus and any prospectus supplements forms a part for purposes of an underwritten offering without our consent.

The selling stockholders and any broker-dealers or agents that participate with the selling stockholders in the offer or sale of the common stock offered under the prospectus and any prospectus supplements may be deemed to be underwriters within the meaning of the Securities Act. Any commissions paid or any discounts or concessions allowed to any such persons, and any profits received on the resale of the common stock and purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Because the selling stockholders may be deemed to be "underwriters" within the meaning of the Securities Act, the selling stockholders will be subject to the prospectus delivery requirements of the Securities Act. Neither the delivery of any prospectus, or any prospectus supplement, nor any other action taken by the selling stockholders or any purchaser relating to the purchase or sale of the common stock under this prospectus or any prospectus supplements shall be treated as an admission that any of them is an underwriter within the meaning of the Securities Act, relating to the sale of any shares of common stock.

To the extent required by the Securities Act, a prospectus supplement or amendment will be filed and disclose the specific number of shares of common stock to be sold, the name of the selling security holder, the purchase price, the public offering price, the names of any agent or dealer, and any applicable commissions paid or discounts or concessions allowed with respect to a particular offering and other facts material to the transaction.

Any selling security holder who is a broker-dealer is deemed to be an underwriter within the meaning of Section 2(11) of the Securities Act. Additionally, any selling security holder who is an affiliate of a broker-dealer and (a) did not buy securities in the ordinary course of business;

and (b) at the time of purchase had an agreement or understanding with us to distribute our common stock is deemed to be an underwriter within the meaning of Section 2(11) of the Securities Act. To our knowledge, none of the selling stockholders are registered broker-dealers. However, we understand based on information provided by selling stockholders that Silver Oak Capital LLC, Stephens Investment Holdings, LLC, Warren and Harriet Stephens Children's Trust UID September 30, 1987 Jon E.M. Jacoby Trustee, Harriet C. Stephens Trust UID March 22, 1984, AIM Equity Funds on behalf of its Series Portfolio AIM Capital Development Fund, AIM Funds Group on behalf of its Series Portfolio AIM Small Cap Equity Fund, AIM Variable Insurance Funds on behalf of its Series Portfolios AIM V.I. Capital Development Fund, AIM Variable Insurance Funds on behalf of its Series Portfolios AIM V.I. Small Cap Equity Fund, Portside Growth and Opportunity Fund and Capital Ventures International are affiliates of broker dealers. To our knowledge, none of the selling stockholders who are affiliates of broker-dealers purchased our common stock outside of the ordinary course of business or, at the time of the purchase of our common stock, had any agreement or understanding, directly or indirectly, with any person to distribute the securities.

We will make copies of this prospectus and any prospectus supplements available to the selling stockholders and have informed them of the need for delivery of copies of this prospectus and any prospectus supplements to purchasers at or prior to the time of any sale of the shares offered hereby.

We are required to pay certain fees and expenses incurred by us incident to the registration of the shares. We have agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act. The selling stockholders will bear all fees and expenses, if any, of counsel or other advisors to the selling stockholders and all commission, brokerage fees and discounts, if any, associated with the sale of the shares.

We agreed to use commercially reasonable efforts to keep this prospectus effective until the earliest of (i) March 12, 2009; (ii) the date on which all of the selling stockholders may resell all of the shares without restriction pursuant to Rule 144(k) under the Securities Act; or (iii) the date on which all of the selling stockholders have sold all of the shares covered by the registration statement. The shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

To our knowledge, there are currently no plans, arrangements or understandings between any selling stockholders and any broker-dealer or agent regarding the sale of our common by the selling stockholders.

We may suspend the use of this prospectus and any supplements hereto upon any event or circumstance which necessitates the making of any changes in the registration statement or prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that the registration statement, the prospectus and any amendment or supplement thereto will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the common stock for a period of two business days prior to the commencement

of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of the common stock by the selling stockholders or any other person.

We cannot assure you that the selling stockholders will sell any or all of the common stock offered hereunder.

Item 15. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers in terms sufficiently broad to permit indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. Article Eighth of the Registrant's amended certificate of incorporation and Article VII of the Registrant's bylaws provide for indemnification of the Registrant's directors and officers to the maximum extent permitted by the Delaware General Corporation Law. The Registrant also maintains, and intends to continue to maintain, insurance for the benefit of its directors and officers to insure these persons against certain liabilities, including liabilities under the securities laws.

Item 16. Exhibits

The index to exhibits appears immediately following the signature pages to this Registration Statement.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities

offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
 - (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x), for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date it is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement

or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or the prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Leawood, State of Kansas, on this 14th day of March, 2007.
