

Euronet Worldwide Immediately To Begin Operating Bank Austria Creditanstalt ATM

PRAGUE, CZECH REPUBLIC & LEAWOOD, KANSAS, USA - Euronet Worldwide (Nasdaq: EEFT), a leading provider of secure financial transaction solutions has been selected to operate Bank Austria Creditanstalt's ATM network in the Czech Republic.

This agreement between Euronet Worldwide and Bank Austria Creditanstalt provides complete outsourcing services including ATM installation, monitoring, dispatch, maintenance, telecommunications, cash delivery, authorization, and customer support. Additionally, Bank Austria Creditanstalt will be one of the first banks to offer the sale of pre-paid GSM airtime through ATMs in the Czech Republic.

With the addition of new ATMs under this agreement, Bank Austria Creditanstalt will increase the number of ATMs employing the banks brand name by over 70 percent in the next 12 months.

"We are very please to have been selected by Bank Austria Creditanstalt to provide these services," stated Miro Bergman, Managing Director for Euronet Worldwide in Europe, Middle East, and Africa (EMEA). "This program is another example of the trend in Central Europe for multi-national banks to outsource key distribution services both in the Czech Republic and regionally."

About Euronet Worldwide

Euronet Worldwide is a global provider of secure electronic financial transaction solutions. The company provides financial payment middleware, financial network gateways, outsourcing, and consulting services providing financial institutions, brokerages, and mobile operators the ability to provide their clientele access to their personal financial information and perform secure financial transactions -- any time, any place. Arrowz ä, the company's proprietary transaction management system, powers financial transaction solutions for over 200 clients in 60 countries as well as the company's processing centers located in the United States, Europe and Indonesia. Euronet was recently ranked number two on the Deloitte & Touche Technical Fast 500, a ranking of the fastest growing technology companies in North America. The company owns and operates the largest independent ATM network in Europe with corporate headquarters in Leawood, Kansas, USA, and European headquarters in Budapest, Hungary.
