Item 3.02. Unregistered Sales of Equity Securities

On January 4, 2013, Euronet Worldwide, Inc. ("Euronet") and an affiliate of Euronet entered into and simultaneously closed an acquisition agreement ("Acquisition Agreement") to acquire 100% of the outstanding common stock of an Australian company, Pure Commerce Pty Ltd. ("Pure Commerce") in a cash and stock transaction. With respect to the stock portion of the purchase price and pursuant to the Acquisition Agreement, Euronet issued 224,425 shares of Euronet common stock, \$0.02 par value ("Euronet Common Stock") to the shareholders of Pure Commerce at closing and agreed pursuant to an earnout provision to issue additional shares of Euronet Common Stock in March 2014 if certain earnout performance targets are met during an earnout period ending December 31, 2013. The maximum value of shares of Euronet Common Stock that would be issued pursuant to the earnout provision is AUS \$15 million (US \$15,755,000 at current exchange rates). For purposes of the earnout, Euronet Common Stock will be valued at the average trading price of Euronet Common Stock on the NASDAQ Stock market for the 20 trading days prior to December 31, 2013 (the "20-day Average Price"). Using the closing price of Euronet Common Stock as of January 7, 2013 and current exchange rates, the number of shares that would be issued under the earnout if the maximum value were earned would be approximately 660,300 shares. The actual number of shares that will be issued under the earnout, if any, will depend on the extent of fulfillment of the earnout performance targets, the 20-day Average Price and the exchange rate of the Australian dollar into the U.S. dollar at the time of calculation of the earnout.

The issuance of shares of Euronet Common Stock to the shareholders of Pure Commerce was not registered under the Securities Act of 1933, as amended, in reliance on the private offering exemption of Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D promulgated thereunder, as a transaction by an issuer not involving a public offering, and pursuant to Regulation S promulgated under the Securities Act of 1933, as amended, as a transaction outside of the United States with persons who are not "U.S. Persons". The securities were and will be issued to a small number of shareholders of Pure Commerce in a private transaction in Australia in which the shareholders have agreed to restrictions on resale. Under the Acquisition Agreement, Euronet has certain obligations to register for resale the shares of Euronet Common Stock issued under the Acquisition Agreement.
