Item 1.01. Entry into a Material Definitive Agreement.

On April 9, 2014, Euronet Worldwide, Inc. and certain of its subsidiaries named therein (collectively, the "Company") entered into Amendment No. 1 (the "First Amendment") to the Company's Amended and Restated Credit Agreement, dated as of August 18, 2011 (the "Existing Credit Agreement"), with Bank of America, N.A., as administrative agent and collateral agent and the other lenders and letter of credit issuers that are parties thereto.

The First Amendment amended and restated the Existing Credit Agreement to, among other things, (i) increase the borrowings outstanding under Term Loan A from \$66 million to \$75 million, with the Company receiving \$9 million of proceeds before any lender fees and issuance costs are applied, (ii) increase the aggregate credit commitments under the Company's revolving credit facility from \$400 million to \$600 million, (iii) reduce the range of the margin over the London Inter-Bank Offered Rate ("LIBOR") to 1.375% to 2.375% and the range of the margin over the base rate to 0.375% to 1.375% for purposes of determining the amount of interest on borrowings, (iv) add additional participating banks and (v) extend the expiration date of the Existing Credit Agreement from August 18, 2016 to April 9, 2019. Interest on borrowings varies based upon the Company's consolidated total leverage ratio (as defined in the Existing Credit Agreement) and is based on a margin over LIBOR or a margin over the base rate, as selected by the Company.

The First Amendment also eliminated certain financial covenants under the Existing Credit Agreement and updated certain definitions, including "LIBOR" and "Obligations," among others, to address recent regulatory and market reforms.

The foregoing description of the First Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the First Amendment, which will be filed as Exhibit 10.1 to the registrant's Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2014.

Euronet Amends and Expands Secured Credit Facility

LEAWOOD, Kansas — April 10, 2014 — Euronet Worldwide, Inc. (NASDAQ: EEFY), a leading global electronic payments provider and distributor, today announced the amendment and expansion of its secured credit facility with a syndicate of financial institutions. The new agreement increases the revolving portion from \$400 million to \$600 million, and the outstanding term loan balance from \$66 million to \$75 million.

The amended and expanded credit facility includes additional commitments from both new and existing lenders and will expire on April 9, 2019. The amended facility resets the accordion feature to \$100 million, reduces pricing levels by 12.5 basis points across the board and removes the senior secured leverage ratio financial covenant from the agreement, in addition to other changes.

"We are pleased with the support from our banking partners. The additional commitments from most existing lenders and the two new lenders who joined the group reflect the strength of our recent financial performance," stated Rick Weller, Executive Vice President and Chief Financial Officer of Euronet Worldwide, Inc. "The extended maturity will provide us with long-term working capital flexibility, while the increased capacity will help support our strategic growth initiatives and ultimately return more value to our shareholders."
